linkedin.com/in/sagnik-das-p53

PROFESSIONAL SUMMARY

Innovative **QA Automation Engineer** with over **4 years** of experience designing scalable test frameworks for web and API applications. Adept at leveraging AI-assisted coding tools (GitHub Copilot, Claude Code) and prompt engineering to accelerate test development and optimize **CI/CD pipelines**. Proven track record of delivering high-performance software in Agile environments, combining a strong foundation in Java and Python with modern **BDD** methodologies.

CORE COMPETENCIES

- **Automation Testing:** Cucumber (BDD), JUnit, REST-Assured, Selenium WebDriver
- **API & Performance Testing:** Postman, JMeter
- **Programming Languages:** Java, Python, JavaScript
- **DevOps / Tools:** Git, Maven, Docker, Jenkins, AWS
- **QA Methodologies:** Agile/Scrum, TDD, Regression Testing, Smoke Testing, CI/CD Pipelines
- **AI & Productivity Tools:** AI-Assisted Coding (GitHub Copilot, Claude Code), Advanced Prompt Engineering, LLM-driven Test Generation.
- **Collaboration & Tracking:** Jira, Confluence

PROFESSIONAL EXPERIENCE

Mphasis Limited (Bangalore, KA) — QA Automation Engineer

Feb 2026 – June 2026 (On Notice Period)

- Function as a core domain expert, shouldering advanced responsibilities to build, maintain, and scale complex test automation solutions alongside senior engineering staff.
- Spearheaded a pilot program to implement an open-source test management tool (**mcp-testrail**), successfully porting the codebase from JavaScript to TypeScript using Deno to optimize testing workflows.

Wipro Technologies (Bangalore, KA) — Project Engineer

May 2022 – Feb 2026

- Designed end-to-end automation suites, completely overhauling the legacy setup and improving regression coverage by 80%.
- Transitioned to a highly technical team, collaborating with senior QAs to build and maintain tests for critical infrastructure.
- Built automated REST-Assured/Cucumber suites and conducted JMeter performance testing to identify and resolve latency issues.

EDUCATION

- **B.Tech – Electrical Engineering (Honours in Machine Learning & AI)**
Maulana Abul Kalam Azad University of Technology
Mar 2018 – Apr 2022; GPA: 3.09/4.00

CERTIFICATIONS - AWS Certified AI Practitioner - [Verify Credential](#)
